

## About Us

Oyster & Grey is an online boutique that features exquisitely genuine, sustainable and luxurious beauty and holiday products. But beyond that, we are a natural and sustainable lifestyle brand that's wholeheartedly committed to empowering lives, the organic way.

### **100% natural, organic and sustainable skincare.**

Our naturally certified products are a living testament to our farm-to-face philosophy. With 100% organic, environmentally-friendly, paraben free ingredients, our all-natural skin care products are a wonderful alternative beauty solution for the environmentally and socially conscious woman.

### **Experience unparalleled luxury that you can feel.**

At Oyster & Grey, we see our all natural skincare products as an essential luxury. We are dedicated to providing quality and affordable natural skin care products that's made with love to all walks of life. We believe that luxury is a right—because you deserve it!

### **Give your skin the love it deserves.**

At Oyster & Grey, we're inspired by fresh ingredients, sustainable living, and enjoying the best of what nature has to offer. We seek to only provide wholesome, natural skincare products that you and your skin will love.

With our exquisite line of the best natural skincare, including bath oils, face masks, natural face creams, natural hair products, botanical oils, candles, room sprays and many more, it's hard not to pamper yourself daily. Even when you're on a holiday, or are out enjoying the sun, Radiance, our natural sun protection line will quench your nutrition-thirsty skin.

### **Redefining natural beauty.**

At Oyster & Grey, our goal is to give your skin the pampering that it deserves, naturally. We are committed to providing you with naturally and organically certified skincare and beauty products that are made with the finest ingredients, without a premium price.
